** Dimensions and shipping weight will vary slightly.		
*** Product capacities will vary based on the size and shape of the bottle.		

- **Modular Refrigeration Cassette** - Quick and easy replacement minimizes service time.
- **FIFO Loading** - Provides proper product rotation, and ensures cold product for customers.
- **Shelf Configurations (5 - 7)** - Maximize pack-out and vending revenues through space to sales.
- **Flexibility** - Shimless vending of bottles and cans provides for optimal product mix and maximum vending profits.
- **Product Delivery** - Product is "served not shaken" ensuring no agitation and no product "spill over" onto customers.
- **MDB Controller** - Full function with DEX/UCS compatibility and completely interchangeable with V-21 control boards.

NEW Features for Vue30/40:

- **External Hinges (optional)** - Zero radius door opening provides for unmatched bankability and easy vendor placements!
- **LED Lighting (optional)** - Higher efficiency, brighter illumination, and lower life costs!
- **Improved Grounding Systems** - Eliminates electrical interference for smooth, errorless operation!
- **Improved Software Package** - Provides faster delivery speed with no foaming of product, improved energy efficiency, auto defrost for higher humidity locations, automatic reconnect of delivery system controls prevents loss of vend or money, and wireless telemetry and recycler compatibility!
- **New Finger Grip Assembly** - Now vends a wider array of products with greater reliability!
