PARTS ORDERING PROCEDURES

WHEN ORDERING PARTS, INCLUDE THE FOLLOWING INFORMATION:

1. Shipping address.
2. Address where the invoice should be sent.
3. The part number or part identification.
 - a. Always refer to the pertinent parts and service manual(s) for the correct part number and part description. If you do not have the right parts manual at the time of your order, contact THE VENDO COMPANY, 7209 NORTH INGRAM AVENUE, FRESNO, CALIFORNIA 93650 or call (800) 344-7216 (outside California) or (800) 742-1815 (within California) for our Parts Department.
 - b. Do not hold the order pending receipt of the parts manual. Use as complete of a description as you can. Include the model and serial numbers of the machine, name of the assembly in which the part is used and, if practical, a sample part. Also, furnish any further information that will enable our parts department to pinpoint the exact part needed.
4. The quantity of parts required.
5. Always include on the order the **model number** and the **serial number** of the vendor for which the parts are needed.
6. List any special shipping instructions.
 - a. Always note on the order if you require United Parcel Service (UPS), Air, Air Special, Truck or Parcel Post shipping. Normal mode of shipping from Vendo is UPS ground.
 - b. If a specific carrier is desired, also note that on the order.
 - c. Freight charges will be added to the parts invoice.
7. Sign and date the order. Keep a copy for your records.
8. When a purchase order is used, be sure that it is legible and visible.
9. Mail your order to THE VENDO COMPANY, 7209 NORTH INGRAM AVENUE, FRESNO, CALIFORNIA 93650.
10. All orders are carefully packed and inspected prior to shipment. Report any packing list discrepancies to Parts Department within five (5) days of receipt of order. Damage incurred during shipping should be reported at once and a claim filed with the terminating carrier.

NOTE: When "right" and "left" are used in connection with the name of a part, it is taken to mean that the person is facing the vendor with ALL doors closed.

MATERIAL RETURN PROCEDURE

All items returned must be accompanied by Material Return Tags (P/N L1496) clearly stating the reason for return. (Tags are available from our Parts Department upon request). To replace an inoperative part, please use the following instructions.

1. If a spare part was taken from your available parts stock and used to replace an operative part,
 - a. Complete the return tag making sure to fill in ALL requested information.
 - b. Keep top (white) copy for your records.
 - c. Attach tag to inoperative part and send it by the cheapest method of transportation (usually UPS ground), to THE VENDO COMPANY, 4015 EAST RAINES ROAD, MEMPHIS, TENNESSEE 38118.
 - d. A like part will be shipped:
 - 1) At no charge if our inspection shows that the inoperative part became defective in warranty.
 - 2) And invoiced if the inoperative part does not meet the terms of the warranty.

NOTE: The returned part will be scrapped to eliminate any further handling charges.

2. If spare part is not available
 - a. Order part using parts ordering procedure. The part will be shipped and invoiced to you.
 - b. After the part is received, follow the procedure outlined above in step 1.
 - 1) Be sure to check the box marked "credit" and to fill in the invoice number covering the part.
 - c. If our inspection shows that the inoperative part was defective in warranty, a credit will be issued to cancel the invoice on which the replacement part was shipped. This credit will include any prepaid transportation charges.
 - 1) To receive credit, the inoperative part must be returned within 30 days from the date the replacement was shipped.
 - 2) Vendo does not issue cash credit for the return of any part or accessory.

REFRIGERATION RETURN PROCEDURE

Refrigeration units require a separate Refrigeration Return Tag (P/N L1322) for each unit returned. The procedure is the same as the material return, except the white (top) copy is attached to the unit, and you keep the copy for your records. All refrigeration units are to be returned to THE VENDO COMPANY, 4015 EAST RAINES ROAD, MEMPHIS, TENNESSEE 38118. The return tag must be filled out in its entirety. Refrigeration units should also be shipped via the cheapest method of transportation (usually UPS ground).

READING A PARTS LIST

For the following information see example below

1. ITEM NUMBER is found in two locations: One, identifying the part on the drawing; Two, identifying line on the parts list. The item number is the identifying reference that ties together information on the parts list to pictorial representation of part on the drawing.
2. PART NUMBER is the Vendo part number for the identified part.
3. NUMBER REQUIRED is the quantity of the part as it is used on this particular assembly page. An A/R means "as required" and is normally used when two different part number columns are used and the quantity of the indicated part is different for each column.
4. PART NAME AND DESCRIPTION is the Vendo verbal description of that particular part.
5. ITEM LETTER refers to hardware used to fasten Vendo parts. See page A-14 for item letters' part numbers and descriptions.
6. AN ASTERISK indicates to a note at the end of the parts.

ASSEMBLY LISTINGS

LEVEL 1 is the motor plate assembly. Anything indented under the name of an assembly is a detail part, and will be included in the parts order when the assembly is ordered.

LEVEL 2 is the motor cam assembly, a sub-assembly of the motor plate assembly. The detail parts of this sub-assembly are indented under its part name. Order the sub-assembly part number to receive parts indicated.

LEVEL 3 shows parts that are not part of the motor cam assembly, but which are part of the motor plate assembly.

LEVEL 4 shows individual parts that are not part of the motor plate assembly. These parts can be ordered individually.

EXAMPLE:

MOTOR PLATE ASSEMBLY

ITEM NO.	PART NAME AND DESCRIPTION	REQ.	PART NUMBER	ITEM LETTER
1	MOTOR PLATE ASSEMBLY	1	134837	
2	MOTOR	1	389401	A
3	MOTOR CAM ASSEMBLY	1	389400	
4	RETAINER CAM	1	388664	C
5	SPRINGS	3	387849	
6	GAGE BAR	3	389399	
7	DECALS/FLAVOR LABELS	A/R	~
